

TENDER:

MOWING SERVICES

FOR

TONGA POWER LIMITED

TENDER NO. 002-2026

Date: 18th May, 2026

CONDITIONS OF BID

1) Summary of Services

- a) The required mowing frequency and timeframes are specified within the **Conditions of Bid**.
- b) Areas are needed to keep;

Area of Service

- 2.25MW Wind Farm at Lapaha – The Wind Power facility includes **a three separate wind Turbines** connected to a **common control room**.

All areas to be mowed must comply with the following;

- a) The perimeter areas surrounding the wind turbines shall be maintained in a clean and tidy condition. The fenced areas around the wind turbines transformer shall also be kept clean and free of overgrown vegetation. In addition, the control room (building located at the front of the site) shall be maintained in a clean and orderly condition.
- b) Access roads to the wind turbines shall be kept clear and accessible at all times through mowing, ploughing, or roadside spraying to prevent overgrown grass and vegetation encroaching onto the roadway.
- c) In areas where spraying is undertaken, all dead grass and vegetation resulting from the spraying shall be cleared and properly removed to maintain site cleanliness and reduce potential fire hazards.
- d) No grass cuttings are to be left on the area**
- e) Any litter that is mowed must be removed.**

2) Duration of the Services

- **8 months from commencement**

3) Closing Time

- The period for the receipt of bids will run until **4pm on 25th May, 2026**. (The deadline for bids submission).
